Abstract

Thomas Roemer is one of the best-known and well-respected scholars working on Deuteronomy and the Deuteronomistic History. In this book, readers will find not only an informative discussion about recent European and North American scholarship on the Deuteronomistic History, but also a creative proposal for a three-stage development of this literary work extending from Neo-Assyrian times to the Persian period.” - Professor Gary N. Knoppers, Head, Classics and Ancient Mediterranean Studies, Penn State University, USA. “Anyone interested in the Deuteronomistic History will be grateful that this book (originally published in 2005) is now available in a much less expensive paperback edition.
